## Souvenir Program

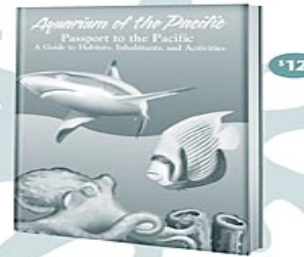

*Let us do the shopping for you!*

The Aquarium has developed a souvenir bag for school groups. We have collected some cool items that are appropriate for grade school-age children. This enables all children in your group to take home an educational and affordable memento of the Aquarium for only \$3.95 (tax inclusive). The bag has 5 items including an Aquarium coloring book and pencil. Fish facts and fun games are printed on the bag itself, which can be recycled as a lunch bag or book cover. **Please order Souvenir Bags at**

Your students will enjoy discovering the wonders of the Pacific through a wide variety of standards-based activities. Your guide will be distributed upon arrival.
