

1, 2 ,3 Count with Me!

Let's all count together!

Let's practice our counting skills. On the next page you will find a picture of swimming sea turtles. Use this image to answer the following questions:

*if you have access to a printer feel free to print the page and color while you count!

1. How many sea turtles do you see?
2. Pick one sea turtle, how many flippers does it have?
3. Some of the sea turtles are blowing bubbles, how many bubbles can you count?
4. The shapes on a turtle's shell are called scutes. How many scutes can you count on one turtle's shell?
5. These sea turtles are swimming in a coral reef with some fish, how many fish are playing in the reef?
