

Family Overnight Confirmation

Thank you for choosing the Aquarium of the Pacific for your overnight experience. Your night will be filled with fun and adventure as we explore our marine ecosystems. To make your stay with us more enjoyable, please read the following information.

Arrival

- **Location:** Aquarium of the Pacific, 100 Aquarium Way Long Beach, CA 90802
- **Check in:** Members Entrance at **5:00 pm**.
- **Gear:** We will meet you at the Information Desk with luggage bins for all of your overnight gear. We will not revisit your gear until bedtime, so please keep out items you might need, such as a jacket, water bottle, and money for the gift store. Smaller bins will also be provided at the meeting time to store items purchased at the gift store and stored in a safe area until bedtime.
- **Start time:** The program will begin at 5:45 pm at Blue Cavern. This will give your group the option of visiting our gift store, Pacific Collections, and the Lorikeet forest (pending seasonal early closures) before we start the program. These locations will be closed once the program begins.

A warm sleeping bag and/or blankets, and pillow will be needed. You may bring a therma-rest, egg foam mattress, or small inflatable mattress for your comfort. **Please bring only what you can carry safely without assistance!**
- Please note: Once the lights for bedtime turn off, you will not be able to see into the exhibits.
- Don't forget your toothbrush and any other essentials to prepare for bed and to help you get ready in the morning. Sorry, no showers are available.
