

# OCEAN RANGER WORKSHEET: OCEAN DRIFTERS

## SEA JELLY ADAPTATIONS

Draw lines to match up the different sea jelly parts to the moon jelly and the pacific sea nettle.

**MOON JELLY**

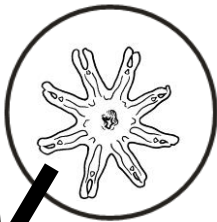

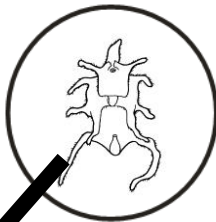

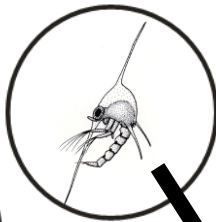

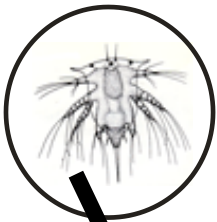

**BELL**

**STINGING  
TENTACLES**

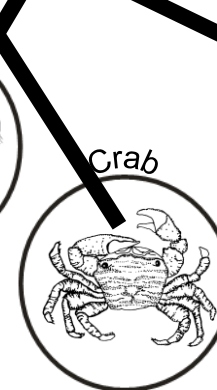

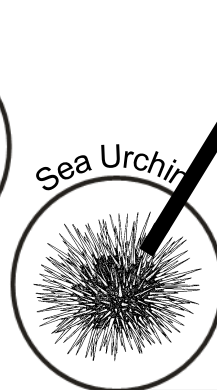

**FEEDING  
TENTACLES**

**PACIFIC SEA NETTLE**

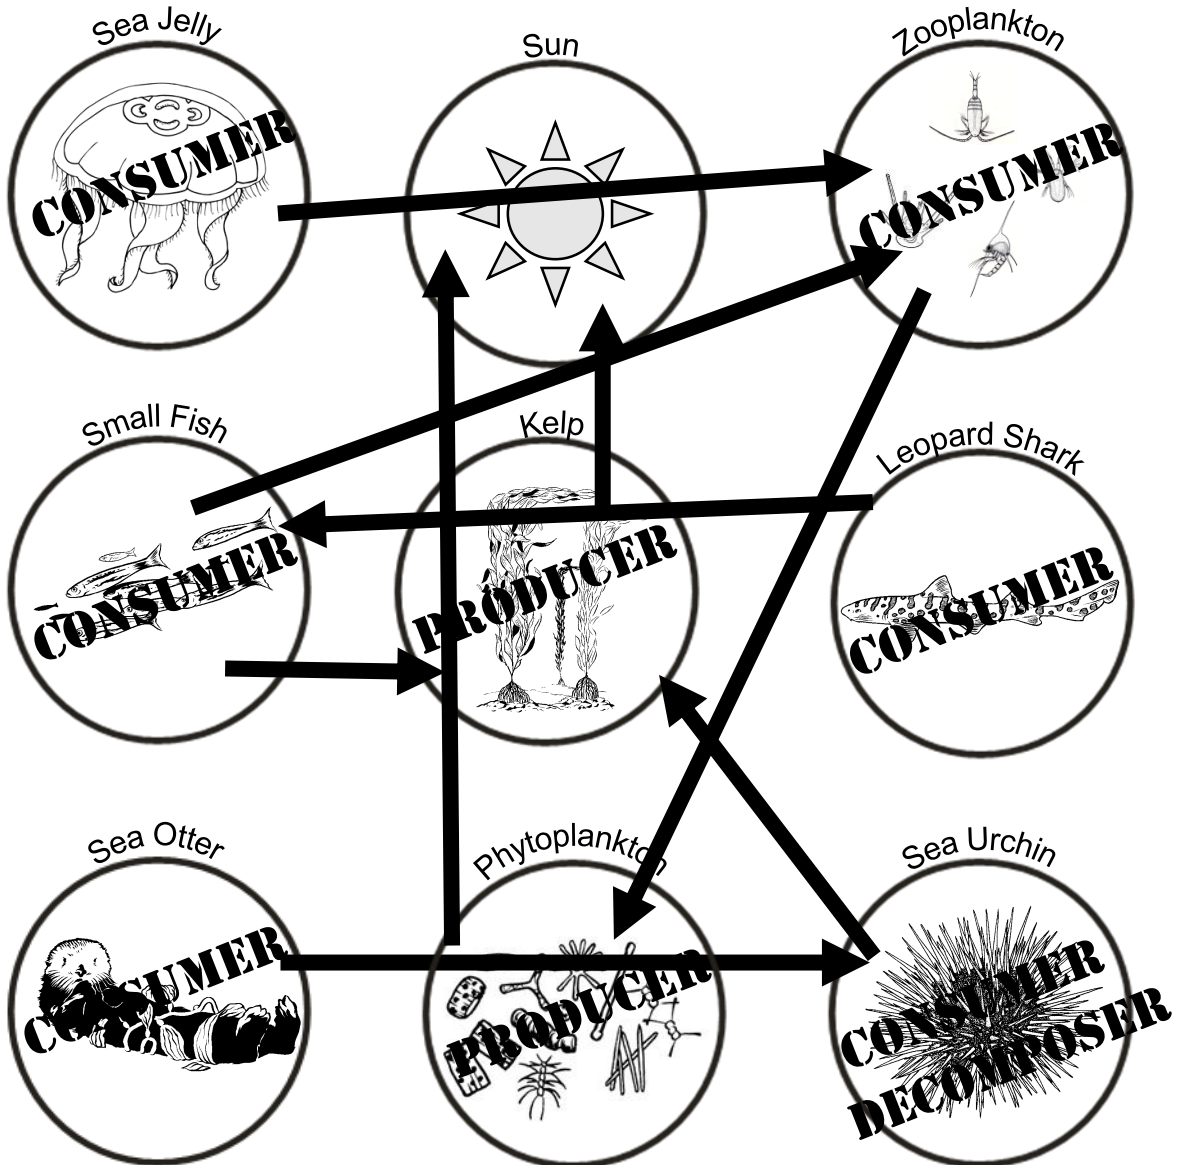

**OCEAN RANGER CHALLENGE:**  
Some plankton are only drifters when they are young.  
Match the baby animals above with the adults below.

## FOOD WEB: WHAT IS ON THE MENU?

With the following organisms, create a food web by drawing arrows from predator to prey or energy source to show the movement of matter throughout the ecosystem.

\*Bonus- Label each organism as a producer, consumer, and/or decomposer.
