

# Whales: Voices in the Sea

*Exploring whales and other marine mammals and how they communicate*

Want to explore more about whale species that live in our oceans? Go to the website <http://voicesinthesea.ucsd.edu/>

Click on the icon that says “SPECIES” and you can select from cetaceans (the whales) or pinnipeds (seals, sea lions, or walrus).

Pick an animal to learn more about.

- What does it eat?
- Where does it live? (Hint: click the map and it'll help)

What does the animal sound like? How would you describe it to someone that hadn't heard it before?

Pick more animals and explore more about them! What marine mammal is your favorite?
