

Whale Naturalist

Let's learn more about what a whale naturalist does while on a whale watch

Go to the Aquarium of the Pacific's Career Connections web page at: <https://bit.ly/2ShKuF7> and click on the whale naturalist title to watch all three parts.

1. Answer the following questions after you watch all 3 segments:
 - a. What do you think the toughest part of a whale naturalist's job is? What would you enjoy the most?
 - b. How do you think you would overcome the challenges of this career?
 - c. What surprised you the most about this career?

1. Explore blue whales further by viewing the online exhibit Whales: Voices in the Sea at <https://bit.ly/3cyeIzH>
 - a. Listen to the whale calls, are they what you expected?
 - b. How are they the same as what you expected? How are they different?
